

# Welcome ROC2Change Participant Districts!

We thank you for being a part of this year's summit. It is *Led by students for students*, **ROC2Change** *inspires and empowers* high school youth across boundaries of geography, race and life experiences to become effective change agents. We elevate the authentic voices of our youth through student-organized, region-wide Student Summits on Race and year-round experiences, preparing them to create anti-racism movements within their home schools and the broader community.

## Participating District Cost Considerations

As a participating district, your cost will be nominal. Based on past history of attendance of Roc2Change and total capacity, each school will be pre-assigned a number of tickets.

**Schools will need to commit to paying for all of the tickets they are assigned**, regardless of if they send all of their students. We cannot get into adjustments as it will disrupt the total cost of the event.

**Each district will be provided 6 student and 2 adult tickets per summit.** The approximate cost is \$20-30 per ticket. Final adjustments are made once we confirm our vendor cost.

There will no longer be the \$100 cost per high school attending each summit. Monroe 1 BOCES DEI (Diversity, Equity and Inclusion) CoSer districts are able to process this as an aidable event. Event tickets billing will be processed after the event takes place by Monroe 1 BOCES DEI (Diversity, Equity and Inclusion) CoSer Office of Diversity and Equity Planning.
